Pennywise is Love, Pennywise is Life

I was only nine years old
I loved Pennywise so much
I owned all the movies and merchandise
I pray to Pennywise every night, thanking him for the life I have been given.
"Pennywise is love", I say. "Pennywise is life".

My dad hears me and calls me a bitch.
He is obviously jealous of my devotion to Pennywise.
I call him a twat.
He slaps me and sends me to my room.
I am crying now, because my face hurts.

I go into my bed and it is very cold
I feel a warmth moving towards me
I feel something touch me
It's Pennywise
I am so happy
He whispers into my ear, "This is my clown shoes"
He grabs me with his powerful hands and puts me on my hands and knees

I'm ready I spread my ass for Pennywise
He enters my butthole
It hurts so much, but I do it for Pennywise
I can feel my anus tearing as my eyes start to water
I push against his force
I want to please Pennywise
He roars mighty Mineta as he fills my butt with his love

My dad walks in
Pennywise looks him deep in the eyes and says, "It's all it now"
Pennywise leaves through my window
Pennywise is love, Pennywise is life
